### **New Feature Request from Coordinators**

1. Improve the homepage to make it more useable
2. Add a video to the homepage
3. Add some adverts
4. Add footer
5. Arrange the order for displaying the courses
6. Improve the User Interface
7. Suggestions about the font
8. Make it more user friendly
9. Add some information about the college in “About”
10. Suggest the color for the website

### **Response from Developers**

Developers work hard with the request and manage to complete all the feature requests and implement into the system.
